## **Accessing the on-line CIF**

**Church Leadership Connection (CLC) requires that churches and organizations completing a CIF enter a login ID and password in order to access the on-line CIF.**

**For congregations seeking pastoral leadership, lay educators, or interim pastors, the presbytery Committee on Ministry (COM) assigns the login IDs and initial passwords. This helps ensure the crucial consultation with the COM early in the search process.**

**Presbytery and Synod Search Committees, and all other organizations, can obtain a login ID and password by contacting the Office of Call Referral Services at (888) 728-7228, x8550.**
